We know that entering a room full of people, most of whom you've never met before, and engaging in small talk can be daunting especially if you're feeling stressed and not particularly social on the day, but how will you expand your network if you don't talk to anyone else? Worse, if you've conjured up the courage to engage with someone new, you could find yourself suffering through the life story of the wrong business connection because you're too polite to end the conversation.

This event is an invaluable and an effective way to expand your connections, uncover new business opportunities, get introduced to all the potential partners and new clients and tap into trusted resources or service providers that can help you or your business.

This networking event is designed to accelerate business contacts through facilitated introductions and conversations – at speed with a common structure to rotate all participants in quick succession so that each person gets the chance to engage one on one with as many people as possible.

If you want a genuinely exciting and extremely beneficial networking experience outside of your usual networking meetings, then please do join us.!

Make sure you:

- bring lots of business cards
- present your business succinctly getting straight to the point due to the time limit
- make sure you know what to ask the other person
- clearly communicate your interest to connect and follow up after the event
